OLD BUSINESS

Discussion/Possible Decision RE: Road Bids/Boyce Drive

Grady Hartman got a quote from Musson's for \$800.00 to dig up the culvert and replace it but our guys will have to patch it when it is finished. Treder asked if we were still planning to attempt to fix part of Boyce Drive with the remaining road money. Hartman thinks that we should leave Boyce Drive alone and save the money in case it is needed for something else. Treder thinks that we should contact the companies that bid and see how much of Boyce Drive they would be able to finish with the budget that we have left. Orton requested that we notify him when the road is going to be closed so that he can notify the Fire department so that they know they need to go the other way. Turgeon will look at the road this week and let the others know his thoughts.

NEW BUSINESS

Discussion/Possible Decision RE: Approve Applications for Operator's Licenses, Carl Biro

Motion by Turgeon to approve operator's license for Carl Biro. Seconded by G. Hartman. All aye. Motion carried.

Discussion/Possible Decision RE: Approve Driveway Permits, Roth  
Chiropractic

Motion by Turgeon to approve driveway permit for Roth Chiropractic with no culvert. Seconded by G. Hartman. All aye. Motion carried.

FIFTEEN MINUTES OF PUBLIC DISCUSSION

Larry Schreider stated that he is concerned about the fence that is on Cornerstone Builders Site and was taken down and put back up within 4 feet of the blacktop. Treder stated that it is his opinion that the fence is there, we have approved others to have a fence on road right-of-way, and if the plows knock it over the Town has no responsibility.
