DISCUSSION/POSSIBLE DECISION REGARDING: Crescent ATV Club - ATV Speed Limit on town roads and opening additional town roads up to ATV's

Gary Cirilli stated that they would like the town to look at opening S. Rifle Road, N. Rifle Road and the roads East of South 17 for ATV usage. The Town of Pelican has opened their roads and if Crescent opened the roads East of South 17 ATV's would be able to go from Crescent to Pelican. Richardson questioned why S. Rifle Road would be opened. Cirilli explained that there are a number of residents that live on S. Rifle road that have expressed a desire to travel from their residence to the lakes. Cirilli also stated that the ATV club would like the town to consider increasing the speed limit for ATV's. Roads are currently posted as 10, 15 or 25 mph in Crescent and he believes this is a hazard for automobiles that are unable to get around them. Cirilli would propose that the speed limit be increased to 35 mph for the roads that are open to ATV's. Brett Brackob, Fire Tower Road resident, expressed frustration with ATV's driving faster than what is posted. Discussion regarding concerns and the positives that have been reported by residents. Connie Anderson expressed concern with opening S. Rifle Road and the speed that vehicles are currently traveling. Treder stated that he is not ready to act on this proposal tonight and would like to come back next month to make a decision.

DISCUSSION/POSSIBLE DECISION REGARDING: Reducing speed limit on S. River Road Speed Limit

Treder stated that this issue came about while discussing the S. River Road spring and the safety in that area. Discussion regarding the legalities of the town lowering the speed limit and the opinions that have been received from the WI DOT and the Wisconsin Town's Association. Treder questioned how to justify moving the speed limit and stated that the DOT expressed concern with the town making that determination and the DOT strongly encouraged him to be cautious. Richardson stated that he still supports reducing the speed limit and feels that it is a safety concern. Discussion regarding the concerns and what possible other solutions there could be to make parking at the Spring safer.

DISCUSSION/POSSIBLE DECISION REGARDING: Approve Applications for Operator's - Sydney Elizabeth-Rose Price

Motion by Richardson to approve the Operator's license for Sydney Elizabeth-Rose Price. Seconded by Metz. All aye. Motion carried.
