Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of their choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. On referendum questions, the

voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of his or her choice for each. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her vote may be taken into the booth and copied. Spoiled Ballots

If a voter spoils a **paper or optical scan** ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall deposit the voted ballot in the ballot box or deliver the ballot to an inspector for deposit and shall leave the polling place promptly.

After an official **optical scan ballot** is marked, it may be inserted in the security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen ballot** is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.
