Hartman stated that the projects may not be completed in 2027 depending on the budget and what the board determines should be completed. Discussion regarding the process for getting proposals. Discussion regarding the proposed projects listed under item #3 of the Musson Proposal. The specs for items under #3 will come as Musson completes the assessment of each of the projects and specs will be brought to the board for approval. Jacobson asked if we have completely ruled out something new for the town shop.
